MEETING YOUR MOST CHALLENGING MISSION REQUIREMENTS

ABOUT THE COMPANY

Integrated Systems Solutions (ISS), a verified Service-Disabled Veteran-Owned Small Business, provides expert contracting services to federal agencies requiring support for highly-technical, scientific, and operationally critical programs and initiatives.

Our support saves lives and improves commerce. Our Leadership Team has extensive experience in support of numerous agency initiatives at the National Oceanic and Atmospheric Administration, Defense Logistics Agency, Department of Veterans Affairs, Department of Defense, and General Services Administration. Our clients have rated us in the top 5% of service providers through the Dun and Bradstreet Open Ratings.

At ISS, our values - integrity, reliability, commitment - and our people drive our success. By investing in their professional growth and well-being, we ensure they deliver exceptional results for our customers every day. This commitment underwrites our retention and performance and earned ISS an **Inc. Best Workplace Award** in 2024.
